AGENDA

1. Approval of 04.13.21 Meeting Minutes (Page 4). **APPROVED**

Notes: First order of business was the vote on Fred Terry as the new Chair and the yes vote was unanimous. There was a side discussion started by Yalisove during review of the CARFs that a section regarding ABET accreditation doesn't need to be there. Terry indicated he would get with Dodge to discuss options for adjusting the form.

161	IOE	334	DEL		WT 2022	N/A	X	Terry: Technically this deletion is also a change in your degree requirements. Is it a matter of CCC just approving or does it need to move to Faculty committee as well? Can we approve with agreement of the credit being moved to technical elective credit? Does anyone feel it needs to move forward to faculty committee? Does this committee feel this is a small enough matter to keep here? Silence was interpreted as an indication of no objection and no need to advance matter to faculty committee
